THE GREAT TRAIL

The Great Trail in Nova Scotia

This marks the connection of Nova Scotia's section of The Great Trail in honour of Canada's 150th anniversary of Confederation in 2017.

From where you are standing, you can embark upon one of the most magnificent and diverse journeys in the world. Whether heading east, west, north or south, The Great Trail – created by Trans Canada Trail and its partners – offers the natural beauty, rich history and enduring spirit of our land and its peoples.

It began as a bold dream in 1992: the idea of creating a trail that would be a gift from Canadians to Canadians. Since then, Trans Canada Trail – a not-for-profit organization – has been working with donors, partners, governments and volunteers to create an epic trail of trails offering a wide range of outdoor experiences.

Given Canada's vastness, varied terrain and sparse population, it was a bold – almost impossible – undertaking.

Today, the Trail stretches over 24,000 kilometres, giving Canadians, now and for generations to come, a way to honour our shared history by retracing many of the routes that charted our nation's development.

Paddlers can explore the rivers and lakes first traversed by Indigenous peoples and voyageurs; hikers and horseback riders can meander the paths travelled by the first settlers; and cyclists can pedal the former railways that powered early industry.

With hundreds of sections, The Great Trail is a trail of trails, running through urban, rural and wilderness areas, including all provincial and territorial capitals and many of our country's provincial, territorial and national parks.

The Great Trail provides Canadians and visitors with free, accessible recreational infrastructure promoting healthy living, active transportation and an appreciation for Canada's natural heritage. Each Trail section also serves to shine the spotlight on that region's unique history, geographical charms and cultural heritage, making it an important asset for local tourism.

One of the most heartwarming aspects of the Trail is its grassroots nature. For decades, volunteer groups and communities, from the Atlantic to the Arctic and the Pacific oceans, have worked diligently toward realizing the grand dream of connecting Canadians to their land and to one another.

These dedicated Trail builders overcame the challenges of difficult terrain and scarce resources through hard work and optimism, resulting in the creation of the world's longest recreational trail; one that connects over 15,000 communities.

Bolstering their efforts have been thousands of generous and loyal donors, countless volunteers, all levels of government, and a host of dedicated patrons, Trail Champions, board members and staff. While often invisible, their support has been critical to the development of the Trail.

On behalf of the people of Canada, Trans Canada Trail extends its heartfelt gratitude to each and every person who has helped to make this bold dream a reality. We are especially grateful for the longstanding and unwavering support of the Government of Canada.

Thank you for this wonderful gift, one that Canadians bequeath to one another, to the world and to future generations.

The Great Trail is a place to stand and reflect, a place for discovery. It's a place steeped in Indigenous heritage that inspires respect. It's common ground that gives birth to new dreams and destinies.

Discover it. Use it. Treasure it.

Nova Scotia Trails Federation

Nova Scotia Trails Federation (NS Trails) is the proud provincial partner of Trans Canada Trail. Having been part of the project since the dream began in 1992, NS Trails is beyond thrilled to see The Great Trail become a reality. Nova Scotia's section of the world's longest recreational trail traverses diverse landscapes and coastlines, showcases key environmental, historical and cultural destinations, and connects numerous communities nestled along the Trail.

NS Trails is forever grateful to the thousands of individuals who invested countless volunteer hours to connect The Great Trail in Nova Scotia, and for the support of our federal, provincial and municipal governments, corporate partners and donors. Together, we have created a legacy for Nova Scotians and visitors to enjoy for generations to come.

Sentier Transcanadien

LE GRAND SENTIER

Le Grand Sentier en Nouvelle-Écosse

Ceci marque le raccordement du Grand Sentier à la Nouvelle-Écosse pour le 150e anniversaire de la Confédération canadienne en 2017.

D'ici, vous pouvez entreprendre l'un des voyages les plus beaux et les plus diversifiés du monde. Que vous vous dirigiez vers l'est, l'ouest, le nord ou le sud, Le Grand Sentier – créé par le sentier Transcanadien et ses partenaires– vous offre ses multiples beautés naturelles et célèbre la riche histoire, l'esprit et les gens de notre pays.

Il est né en 1992 du rêve audacieux de créer un sentier qui serait un cadeau que les Canadiens s'offriraient les uns les autres. Depuis ce moment, le sentier Transcanadien, une organisation sans but lucratif, a collaboré avec des donateurs et partenaires, des gouvernements et des bénévoles en vue de créer un fabuleux réseau de sentiers qui offre un vaste éventail d'expériences en plein air.

Il s'agissait d'un projet fort ambitieux pour un pays comme le Canada, unique par son immensité, la variété de son relief et la dispersion de sa population.

Aujourd'hui, le Sentier serpente sur plus de 24 000 kilomètres. Il permet aux Canadiens, maintenant et pour des générations à venir, de rendre honneur à leur histoire commune en empruntant à leur tour les nombreux itinéraires qui ont contribué au développement de notre nation.

Les pagayeurs peuvent explorer les rivières et les lacs qu'ont traversés les peuples autochtones et les trappeurs; les randonneurs et les cavaliers peuvent flâner sur les sentiers arpentés par les premiers colons; et les cyclistes peuvent pédaler sur les anciens chemins de fer, auxquels nous devons nos avancées industrielles.

Avec ses centaines de tronçons, Le Grand Sentier est véritablement une famille de sentiers. Il se déploie à travers des régions urbaines, rurales et sauvages, y compris les capitales provinciales et territoriales, et plusieurs des parcs provinciaux, territoriaux et nationaux de notre pays.

Le Grand Sentier offre aux Canadiens comme aux visiteurs, une infrastructure récréative accessible et gratuite, qui favorise un mode de vie sain, le transport actif et la contemplation du patrimoine naturel du Canada. De plus, chaque tronçon du Sentier rend hommage à la région qu'il parcourt, son histoire unique, ses attraits géographiques et son héritage culturel, ce qui en fait un atout certain pour le tourisme local.

Le projet du Grand Sentier charme avec sa nature communautaire. En effet, nous devons la réalisation de ce rêve aux communautés et aux groupes de bénévoles qui ont travaillé d'arrache-pied aux quatre coins du pays. Le fruit de leur travail est un symbole d'unité qui relie tous les Canadiens d'un océan aux deux autres.

Ces dévoués bâtisseurs du Sentier ont surmonté les obstacles de terrains accidentés avec des ressources limitées. Grâce à leur travail acharné et à leur optimisme, nous aboutissons à la création du plus long sentier du monde, qui rassemble au-delà de 15 000 collectivités.

Leurs efforts ont été soutenus par des milliers de fidèles et généreux donateurs, d'innombrables bénévoles, tous les paliers de gouvernement et une foule d'amis et Champions du Sentier, et de membres du conseil d'administration et du personnel dévoués. Quoique souvent invisible, leur appui a été essentiel au développement du Sentier.

Au nom de tous les Canadiens, l'équipe du sentier Transcanadien tient à manifester sa reconnaissance à tous ceux et celles qui nous ont aidé à réaliser ce rêve ambitieux. Nous sommes particulièrement reconnaissants pour le soutien durable et inébranlable du Gouvernement du Canada.

Merci de ce cadeau merveilleux, que les Canadiens s'offrent les uns aux autres, et lèguent au monde et aux générations futures.

Le Grand Sentier est un endroit où se tenir debout et réfléchir, un lieu de découvertes. C'est un lieu imprégné d'héritage indigène qui inspire le respect. C'est un terrain d'entente où les rêves et les destinées se révèlent.

Nova Scotia Trails Federation

Nova Scotia Trails Federation (NS Trails) est l'un des précieux partenaires provinciaux du sentier Transcanadien. NS Trails, qui fait partie de notre équipe depuis que nous avons commencé à rêver au projet en 1992, ne pourrait pas être plus heureuse de voir le Grand sentier se concrétiser. La section néo-écossaise du plus long sentier récréatif au monde traverse divers paysages intérieurs et côtiers, met en valeur certaines des principales destinations en matière d'environnement, d'histoire et de culture, en plus de nouer des liens entre diverses communautés qui bordent le Sentier.

NS Trails sera à jamais reconnaissante envers les milliers de personnes qui ont offert de façon bénévole d'innombrables heures pour raccorder le Grand sentier en Nouvelle-Écosse, et à l'égard du soutien financier offert par les donateurs, les entreprises partenaires et les gouvernements municipaux, provinciaux et fédéral. Ensemble, nous avons réussi à créer un héritage dont les Néo-écossais et les visiteurs pourront profiter durant de nombreuses générations.

Good hiking and may we be together as long as the trail!

In memory of
Arthur C. Cooke

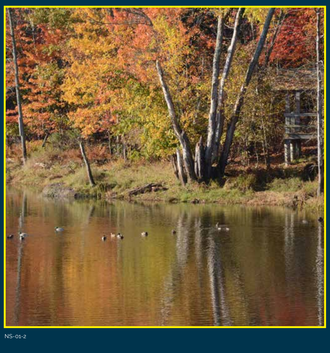
A journey of a thousand miles starts with the first step.
Janet and Susan



In loving memory of
Margaret and Fred Antrobus
From their children
John and Paul Antrobus,
Lois Lamontagne and families

Life's journeys start before the first steps
and don't end with the last.
Some walk to leave their origins.
Some walk to arrive at a goal.
Some walk to experience the journey.

EDC

"A portion of the Trans Canada Trail linking Canadians with each other was made possible through a donation on behalf of the employees of Export Development Corporation (EDC), a Crown corporation whose financial services help link Canadians with opportunities around the world."

« Une partie du Sentier transcanadien reliant tous les Canadiens a été aménagée grâce à un don fait au nom des employés de la Société pour l'expansion des exportations (SEE), société d'État dont les services financiers aident aussi à créer des liens, en rapprochant les Canadiens des sociétés qui offrent des débouchés dans le monde entier.»

Thank you for your support

In loving memory of
Shaun Timothy Romsa
October 2, 1968 - June 12, 1999

Son of Gerald & Mary Romsa
Brother of Jonathan Romsa
Grandson of Nick & Rita Romsa and John & Sarah Reid

Shaun's heart had room for every one.
He loved Nova Scotia, nature and hiking.

Canadian Military Engineers

"Ubique"

Unveiled on May 17, 2001 in appreciation of their contributions to developing the Trail and in recognition of their long history of serving their fellow citizens with dedication and devotion. On this wall are recorded the names of serving and former military engineers, military engineer cadets, civilian associates and individual Canadians who each contributed $100 or more to commemorate the men and women of the Canadian Military Engineers.

In celebration of their Centennial in the Year 2003, Canadian military engineers are volunteering their specialized skills and labour to help communities in bridge building along the national path of the Trans Canada Trail.

Bridges for Canada

In 2000, to commemorate a century of service, Canadian Military Engineers embarked on a three-year program of assisting communities along the Trans Canada Trail to construct and restore bridges. Thirty of these bridges are shown here.

For the last century Canadian Military Engineers have been part of the nation's communities. In times of celebration, conflicts, natural disasters and national development, they have served their country and their fellow citizens well, as skilled, dedicated and devoted members of the profession-of-arms. Their three-year Centennial 2003 Bridges for Canada program is a continuance of this legacy, and this panel is its testimonial.

Génie Militaire Canadien

« Ubique »

Dévoilé le 17 mai 2001 en appréciation de leur contribution au développement du Sentier et en reconnaissance de leur longue histoire de service envers leurs concitoyens avec dévouement et dévotion. Sur ce mur seront enregistrés les noms des ingénieurs militaires actifs et retraités, des cadets du Génie militaire, des associés civils et des Canadiens qui auront contribué chacun 100$ ou plus pour ce tribut envers les hommes et les femmes du Génie militaire canadien.

En célébrant son centenaire au cours de 2003, le Génie militaire canadien a offert son expertise spécialisée et son travail pour aider les communautés à construire des ponts sur le Sentier transcanadien.

Ponts pour le Canada

En 2000, pour commémorer un siècle de service, le Génie militaire canadien s'est lancé dans un programme de trois ans pour aider les communautés le long du Sentier transcanadien, á construire et á restaurer des ponts. En voici une trentaine.

Depuis 100 ans, le Génie militaire canadien fait pa rtie de nos communaut s. Il prête son assistance lors de célébrations, mais intervient aussi dans les moments difciles, en cas de catastrophe naturelle ou de conflit ou simplement pour contribuer au développement du pays. Le Génie militaire canadien est toujours là, soucieux de représenter et de servir avec compétence et dévouement le métier des armes, le Canada et ses citoyens. Son programme triennal du Centenaire Ponts pour le Canada s'inscrit dans le prolongement de cette mission et ce panneau rend hommage á ses réalisations.
