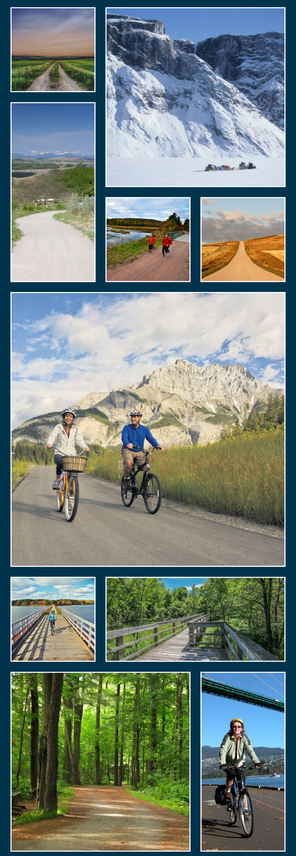
THE GREAT TRAIL



The Great Trail in Ontario

This marks the connection of Ontario's section of The Great Trail of Canada in honour of Canada's 150th anniversary of Confederation in 2017.

From where you are standing, you can embark upon one of the most magnificent and diverse journeys in the world.

Whether heading east, west, north or south, The Great Trail—created by Trans Canada Trail (TCT) and its partners—offers all the natural beauty, rich history and enduring spirit of our land and its peoples.

Launched in 1992, just after Canada's 125th anniversary of Confederation The Great Trail was conceived by a group of visionary and patriotic individuals as a means to connect Canadians from coast to coast to coast.

Given Canada's vastness, varied terrain and sparse population, it was a bold—almost impossible—undertaking.

Today, the Trail stretches nearly 24,000 kilometres, giving Canadians, now and for generations to come, a way to honour our shared history by retracing many of the routes that charted our nation's development.

Paddlers can explore the rivers and lakes first traversed by Indigenous peoples and voyageurs; hikers and horseback riders can meander the paths travelled by our first settlers; and cyclists can pedal the former railways that powered early industry.

With hundreds of sections, The Great Trail is a trail of trails, running through urban, rural and wilderness areas, including all provincial and territorial capitals and many of our country's provincial, territorial and national parks.

The Great Trail provides Canadians and visitors alike with free, accessible recreational infrastructure promoting healthy living, active transportation and an appreciation for Canada's natural heritage.

Each Trail section also serves to shine the spotlight on that region's unique history, geographical charms and cultural heritage, making it an important asset for local tourism.

One of the most heartwarming aspects of the Trail is its grassroots nature. For decades, volunteer groups and communities from the Atlantic to the Arctic and the Pacific oceans, have worked diligently towards realizing the grand dream of connecting Canadians to their land and to one another.

These dedicated Trail builders overcame the challenges of difficult terrain and scarce resources through hard work and optimism, resulting in the creation of the world's longest and grandest trail; one that connects over 15,000 communities.

Bolstering their efforts have been thousands of generous and loyal donors, all levels of government, and a host of dedicated patrons, National Champions, board members and staff. While often invisible, their support has been critical to the development of the Trail.

On behalf of the people of Canada, Trans Canada Trail extends its heartfelt gratitude to each and every person who has helped to make this bold dream a reality.

Thank you for this wonderful gift, one that Canadians bequeath to one another, to the world and to future generations.

The Great Trail is a sacred place: a place to stand and reflect, a place for discovery and pleasure. It's common ground that gives birth to new dreams and destinies.

Find it. Use it. Cherish it.

No matter your age, your passions or your beliefs, there is a link that connects us all.

LE GRAND SENTIER

Le Grand Sentier au Ontario

Ceci marque le raccordement du Grand Sentier à travers l'Ontario du Grand Sentier pour le 150e anniversaire de la Confédération canadienne en 2017.

À partir d'où vous êtes, vous pouvez entreprendre l'un des voyages les plus beaux et les plus diversifiés du monde.

Que vous vous dirigiez vers l'est, l'ouest, le nord ou le sud, Le Grand Sentier du Canada—créé par le sentier Transcanadien (STC) et ses partenaires—vous offre ses multiples beautés naturelles ainsi que la riche histoire et l'esprit qui perdure de notre pays et des gens qui l'habitent.

Lancé en 1992, juste après le 125e anniversaire de la Confédération du Canada, Le Grand Sentier a été conçu, par un groupe de visionnaires et de patriotes, comme le moyen de relier les Canadiens d'un océan aux deux autres.

Étant donné l'immensité du Canada, sa population clairsemée et la nature variée du terrain, c'était une entreprise audacieuse—presque impossible.

Aujourd'hui, le Sentier serpente sur près de 24 000 kilomètres. Il permet aux Canadiens, maintenant et pour des générations à venir, de rendre honneur à leur histoire commune en empruntant à leur tour de nombreux itinéraires qui ont préparé le développement de notre nation.

Les pagayeurs peuvent explorer les rivières et les lacs qu'ont traversés les peuples autochtones et les trappeurs; les randonneurs et les cavaliers peuvent flâner dans les sentiers arpentés par les premiers colons; et les cyclistes, pédaler sur les anciens chemins de fer, moteur des débuts de l'industrie.

Avec ses centaines de tronçons, Le Grand Sentier est véritablement un sentier de sentiers. Il se déroule à travers des régions urbaines, rurales et sauvages, y compris les capitales des provinces et des territoires, et plusieurs des parcs provinciaux, territoriaux et nationaux de notre pays.

Le Grand Sentier fournit, aux Canadiens comme aux visiteurs, une infrastructure récréative accessible et gratuite, qui favorise un mode de vie sain, le transport actif et la contemplation du patrimoine naturel du Canada.

De plus, chaque tronçon du Sentier braque les projecteurs sur la région qu'il parcourt, son histoire unique, ses attraits géographiques et son héritage culturel, ce qui en fait un atout certain pour le tourisme local.

Le Sentier résulte d'efforts communautaires, c'est l'un de ses aspects qui nous réchauffe le plus le cœur. En effet, pendant des décennies, des groupes de bénévoles et des communautés—de l'océan Atlantique à l'océan Arctique et à l'océan Pacifique—ont travaillé avec diligence à la réalisation de ce grand rêve : relier les Canadiens les uns aux autres et à leur pays.

Ces dévoués bâtisseurs du Sentier ont surmonté les obstacles des terrains accidentés et des ressources limitées, grâce à leur travail acharné et à leur optimisme, pour aboutir à la création du plus long et du plus grandiose sentier du monde, qui rassemble au-delà de 15 000 collectivités.

Leurs efforts ont été soutenus par des milliers de fidèles et généreux donateurs, tous les paliers de gouvernement et une foule d'amis du Sentier, de champions nationaux, et de membres du conseil d'administration et du personnel dévoués. Quoique souvent invisible, leur appui a été essentiel au développement du Sentier.

Au nom des habitants du Canada, nous, du sentier Transcanadien, adressons notre gratitude à toutes les personnes qui nous aident à faire de ce rêve ambitieux une réalité.

Merci de ce cadeau merveilleux, que les Canadiens s'offrent les uns aux autres, et lèguent au monde et aux générations futures.

Le Grand Sentier est un lieu sacré : un endroit où se tenir debout et réfléchir, un lieu de découvertes et de joies. C'est un terrain d'entente, où les rêves et les destinées se révèlent.

Repérez-le. Parcourez-le. Chérissez-le.

Quels de soient votre âge, vos passions et vos convictions, il existe un lien qui nous unit tous.

The Great Trail Across Canada

Trans Canada Trail Ontario

Trans Canada Trail Ontario (TCTO) is a provincial non-profit organization that represents The Great Trail in Ontario, founded in 1992. TCTO's mandate is to plan and support trail development across the province, with help from local agencies, government organizations, community associations and First Nation communities.

Ontario's section of The Great Trail stretches over 5,000 kilometres, and offers a diverse range of trails allowing for a multitude of world-class outdoor experiences in both urban, rural and wilderness settings in the southern and northern regions of the province.

The Great Trail in Ontario connects approximately 150 communities through a collection of interconnected multi-use trails; giving preference to non-motorized trail use. In Ontario, many greenway routes are reserved for walking, hiking, running, and skiing; with cycling and paddling routes. The province is home to the longest section of The Great Trail's coast to coast to coast network, starting at the Manitoba border across to North Bay, down to Hamilton, and from Windsor to Ottawa.

Son mandat est de planifier et de financer le développement du Sentier dans la province, avec l'aide d'associations communautaires, de collectivités des Premières Nations, d'organisations gouvernementales et d'organismes locaux.

Le segment du Grand Sentier en Ontario s'étend sur plus de 5 000 kilomètres et présente une grande variété de pistes pour une multitude d'expériences de plein air de calibre mondial, dans les environnements urbains, ruraux et sauvages des régions du sud et du nord de la province.

Le Grand Sentier en Ontario réunit environ 150 collectivités par un réseau de sentiers à usages multiples raccordés les uns aux autres, en privilégiant les activités non motorisées. En Ontario, plusieurs voies vertes sont réservées à la marche, à la randonnée, à la course et au ski; il y a aussi des pistes cyclables et des voies navigables pour les sports de pagaie. La province comprend le plus long segment provincial du Grand Sentier. Ce segment commence à la frontière du Manitoba traverse la province jusqu'à North Bay, descend pour atteindre Hamilton puis Windsor et remonte vers Ottawa.

Merry Christmas 2002

Gordon Cecil Gray

"Like a tall tree resilient and strong, we stand rooted in family traditions. We stand rooted in family love. We stand committed to our children and our children's children. We uphold every branch - the lineage increases and our roots grow exceedingly deep. Like the tallest oak surviving many ages, we stand rooted in our noble distinction. We stand rooted in family pride. We cling to the roots which bind us by blood and through it all... Our family stands."

--Alice Faye Duncan

Thank you for your never ending love, support and laughter.

~ Genna ~

December
First born: so small pink delicate. Such wonder at fingers and toes, the marvel of each new day she is with us, the centre and reason for our being here together.

April
The eldest, she cares for little brother, baby sister, leads them on the hunt for Easter eggs she finds, shares, treasures both the promise and the sweetness melting on her tongue.

August
She runs, dodges sticks and stones, crosses the finish line first, drops to her knees, circled by friends. How she laughs! Listen: wind in long grass has her voice and leaves already rusting.

December
Grown-up, a nurse, she calms disorder, comforts distress; in love, dreams of home, family. Let us not talk about the treachery of black ice, our loss, her absence. Let us remember her grin, hold on to the hand she holds out to us still.

Genavieve (Genna) McLinden

Penny Meitz

March 27, 1957 ~ September 28, 1998

Mentor, lover, singer, parent, aunt, spiritual leader, daughter, sister, actress. Friend to all.

A gifted athlete and avid cyclist, Penny dreamed of cycling across Canada.
At age 41, she was struck and killed while cycling on Highway 2, between Belleville and Trenton, Ontario. As a tribute to Penny's life and her unfulfilled dream, this plaque is dedicated to her memory.

She will always remain in our hearts.

A Sandbox in Heaven
When you see a smile across my face
and no tears fill my eyes,
know I'm picturing you in heaven's sandbox
made especially for angels your size.
When you hear me laugh aloud
and say your name without having to cry,
know I'm picturing you in heaven's sandbox
building sand castles as high as the sky.
When you touch my heart
and feel my heart still beat,
know I'm picturing you in heaven's sandbox
where one day you and I will again meet.
I hope you understand why you're in Heaven's Sandbox
and not down here on earth,
know there is no better place to be
God chose his home in heaven when he came for you at birth.
When you close your eyes
and think of me,
know I'm thinking of you
in a Sandbox in Heaven.

Dr. George Burton Priddle

1938 - 1998

George Priddle's life was dedicated to the development of parks and trails in Canada. His education, from the undergraduate to doctoral level, focused on recreational use and people's perception of Canada's wilderness.

George's personal and professional mission was the identification and preservation of Canada's natural heritage for all of its citizens. His influence was widely felt during his 27-year tenure as a professor of Environmental Studies at the University of Waterloo. In 1998 he received the Ontario Heritage Protection Award for outstanding contributions to the provincial parks system.

George's delight in Algonquin Park was the impetus for his life-long passion.

His was a labour of love.

Thank you for your support

In loving dedication to

1943 ~ 1999

Time is the substance I am made of. Time is a river that sweeps me along, but I am the river; it is a tiger that rips me apart, but I am the tiger; it is a fire that consumes me, but I am the fire.

"And this shall be for music when no one else is near,
The fine song for singing, the rare song to hear!
That only I remember, that only you admire,
Of the broad road that stretches and the roadside fire."

To our friend, Andy Seidl

You will always be with us, not only in the photographs of our memories,
but you also exist in the music, the radiant sunshine, the clear water of a stream,
the lofty pines, and in all that is natural.

You will never leave us as long as we are
surrounded by the beauty and peace of nature.
