AT KELLOGG'S, KIDS COUNT IN MORE THAN ONE WAY!

To all the Canadian families and schools who encouraged children to get moving in the right direction with the Kellogg's Kidz Count* initiative - we salute you.

Through Kidz Count, children and their families learned new activities to help build physical activity into their daily routine both at home and at school. Together, we walked, we counted our steps and we made a difference in our communities.

For our kids and the health of future generations, Kellogg Canada is proud to make a contribution towards the completion of the Trans Canada Trail.

Here's to active healthy living!

JARED LEE ANTHONY

May 25, 1978 ~ March 13, 2004

Many people come and go in our lives, but the love and memories will always stay, remaining on the surface of our hearts.

Every time you look at the sky, feel the warmth of the sun, think of Jared.
 The moment he went to a better place, the sun shone so brightly on his beautiful face.
 He then received his set of wings and was set free to fly away from all the pain and suffering.
 Every time you feel a warm breeze caressing your face or a cool gust of wind come up from behind, think of Jared, and know that he is with you.
 Every time you laugh, think of Jared's joyous voice and know he's laughing with you.
 He is here with us everyday in everything we do, everywhere we go, with everyone we know.
 Jared loves his family and friends with all his heart. Never forget him, he will never forget you.
 Don't say good-bye, for some day we will all be together again.

Forever loving you:
 Soulmate Melanie, mother Mary and father Brad, sister Janea, relatives, the Gaudet family and your many, loving friends.
