In acknowledgement of the Regional District of Nanaimo's generous financial assistance with the development of the Haslam Creek Suspension Bridge and the management of approximately 30 kilometres of Trans Canada Trail between Cassidy and Nanaimo.

The Haslam Creek Suspension Bridge was completed in October 2002 and officially opened in May 2003. The bridge is located west of Nanaimo's Cassidy Airport, about two kilometres off the end of nearby Timberlands Road. The Regional District is grateful to Weyerhaeuser and TimberWest for allowing the bridge to be constructed on private forest lands. Spanning an 18 metre gorge, the 48 metre crossing provides a magnificent view of a scenic Vancouver Island salmon creek.

The Regional District salutes the volunteers who worked so hard to realize the Trans Canada Trail in this area. Trail enthusiasts for decades to come will owe a debt of gratitude to the effort of volunteers and leaders like René Bertrand. The Region salutes all members of the public and private sectors who support trail, and welcomes people from across Canada to the trails of the Regional District of Nanaimo.

TRANS CANADA TRAIL

The Trans Canada Trail, the longest recreational trail in the world, was initiated in 1992 as a lasting legacy to Canada's 125th birthday celebration. It is a non-profit charitable endeavour of love and commitment to a great vision of bonding Canadians together from coast to coast.

These are the names of those who contributed and those whose family or friends donated funds on their behalf for this part of the trail.

The Trans Canada Trail is for all Canadians to enjoy and be shared with all peoples of this world who embrace the same respect and love of nature.

SENTIER TRANSCANADIEN

En 1992, la Société CANADA 125 inaugurerait le projet du Sentier transcanadien, le plus long parcours au monde à l'intention des amateurs de plein air. Cette grandiose réalisation s'ajoute au patrimoine canadien, en un témoignage durable de ce qu'ont été les célébrations du 125^e anniversaire du Canada. Le Sentier transcanadien existe aujourd'hui grâce à un organisme de bienfaisance au sein duquel tous chérissent un même engagement à l'égard des liens qui unissent les Canadiens, de l'océan Arctique à l'Atlantique et au Pacifique.

Voici les noms de ceux qui ont directement contribué - ou au nom desquels un don a été versé - pour permettre la réalisation de ce segment du sentier.

Le Sentier transcanadien, un joyau de la nature, accueille vivement les Canadiens et quiconque, de par le monde, partage amour et respect de la nature.
